

Saskatchewan Association of
RECREATION PROFESSIONALS

Code of Ethics

Competence

The acquisition, maintenance and enhancement of current knowledge and skills in the field.

- ◆ Members shall enhance their own level of expertise and commit to professional development of themselves and fellow members.
- ◆ Members shall enhance the efficient and effective operation of their organization through this knowledge.
- ◆ Members shall contribute, through their competence, to enhanced quality of life for the people of Saskatchewan.

Equality

Equal treatment for all stakeholders (which includes members, colleagues, clients and customers and funding agencies).

- ◆ Members shall strive to ensure equal opportunity for each client or customer to participate in recreation activities.
- ◆ Members shall develop and maintain an environment whereby all individuals are treated with respect and dignity.

Leadership

The provision of guidance at all levels of the recreation delivery system.

- ◆ Members shall provide ethical, technical and educational guidance for those under their responsibility.
- ◆ Members shall demonstrate ethical, technical and educational guidance in their capacity as leaders in their community.
- ◆ Members shall advocate on behalf of the field and their profession.

Integrity

Conduct which is honorable and honest.

- ◆ Members shall ensure that their behavior is beyond reproach in terms of what the profession sanctions.
- ◆ Members shall treat fellow members and colleagues with the utmost respect and propriety.
- ◆ Members must behave in a manner that supports the highest levels of S.A.R.P. standards.

Cooperation

Partnership with other members, colleagues, clients, customers and organizations for the enhancement of Saskatchewan residents' quality of life.

- ◆ Members shall take part in a consultative process with their clients, customers and communities to achieve the most effective results.
- ◆ Members shall develop and maintain active relations with fellow professionals.
- ◆ Members shall work toward an environment where active sharing of resources and information takes place.
