Background

Our organization unofficially formed in 1969 and incorporated as the Saskatchewan Recreation Society in February 1970. We held our first Annual General Meeting (AGM) in September of 1970.

In 1996, our name changed to the Saskatchewan Association of Recreation Professionals. Fifty years of advancing the recreation profession through advocacy, education and networking has been a passion of members that believe in recreation as a public good.

We invite you to be part of this celebration by becoming a sponsor and experiencing the passion of recreation professionals who build healthy and active communities across our province!

The Event Sponsorship Package lays out the various corporate sponsorship opportunities available during our Conference, AGM and Awards Gala. If you have any questions, please contact the S.A.R.P. Office at 306-693-7277.

Thank you for advancing the recreation profession through advocacy, education and networking!
