S.A.R.P. reveals its 2022-2023 Board of Directors

Saskatchewan - The Saskatchewan Association of Recreation Professionals (S.A.R.P.) is excited to announce the 2022-2023 Board of Directors.

The Board of Directors for the 2022-2023 year are: Lara Schroeder (Chair), Jasmine Cameron (Vice-Chair), Chantelle Erdman, Rebecca Newson and Leanne Schellenberg. These five S.A.R.P. members are located across the province and bring nearly 100 years of recreation experience to the table.

"I'm honoured to be Chair of Saskatchewan Association of Recreation Professionals for the 2022/2023 year and to work alongside the dedicated recreation professionals who sit on the board. At last month's conference, we had important and candid discussions about the recreation industry and S.A.R.P.'s place within it. We look forward to reflecting on those discussions and moving forward with our membership into this next year. We do not yet know the path we will take, but I know one thing for sure. We will take it together. We have room for two additional people on our board – if you've been considering it, I encourage you to jump in and join us." - Lara Schroeder, S.A.R.P. Chair

Recreation Professionals are our superheroes! With their passion, core body of knowledge, and experience, these professionals deliver programs and services in a variety of settings such as communities, schools, acute care, rehabilitation centres, long term care facilities, and the Jim Pattison Children's Hospital. These professionals also manage large infrastructure used by residents of Saskatchewan, such as multi-purpose centres, aquatic facilities, soccer centres, parks, trails, and open spaces.

About S.A.R.P.

The Saskatchewan Association of Recreation Professionals is a non-profit member driven organization committed to the recreation profession by representing and supporting current and future recreation professionals. Our members are individuals such as recreation professionals, recreation students and retired recreation professionals.
